## Closing out a memorable 2018...

As we look back at an adventurous and memorable 2018, we are thankful for the new relationships we have formed with; Holder, Brasfield & Gorrie, JE Dunn, Reeves Young, Juneau, Skanska, Gilbane, Evans Construction, and Fortune Johnson. Along with our new relationships, we are continuing to develop our relationships with valuable clients who we have worked with throughout the years such as; DPR, Stafford, Sheridan Construction, VCC, and Piedmont Construction.

*During Q4 of 2018 GGC was awarded the following jobs:*

- Madison Baseball Stadium– HOAR Construction
- Chosewood Apartments– Juneau Construction
- Applying Middle School– Sheridan Construction
- Children’s Healthcare of Atlanta– JE Dunn
- Piedmont College of Music– Juneau Construction
- Emory Oxford CLC– Reeves Young
- MWA Roundup– Stafford Builders
- Freedom Park Baseball Fields– WLS Construction

*We also completed many projects in 2018:*

Home Depot Backyard at Mercedes Benz, Alliance Theater, Clemson College of Business, Baptist MDA Cancer Hospital, Atlanta Dairies, Newton County Justice Center, Union Baptist Church, and Living Building at Georgia Tech.

## Alliance Theater

## For a good cause...

Year after year GGC partners with our friends at Perimeter Digital in the annual “Toys for Tots” drive. These donations of unwrapped toys go to a ministry called “The Place” who provides opportunities for parents to shop for Christmas from the donations. This toy drive assists over 2,000 families! each year!

## Welcome New faces!

2018 was particularly memorable for our investment and growth in our people. We brought on 10 new superintendents and promoted 2 current Superintendents to General Superintendents who oversee many jobs. We brought in 2 Assistant Project Managers, created a hardscapes team, and added an additional Project Administrator.

We are continuing to grow and invest in our people with Superintendent training, hands on safety training and investing in software like PROCORE to make everyone’s job safer and more efficient!

We are looking forward to an outstanding 2019!
